Indian Premier League(IPL)

Greeting Delegates, It gives us immense pleasure to welcome you all to the IPL committee at CENMUN 2024 and at the outset let us congratulate you upon your participation in the same. Many of you would have participated in quite a few MUNs. But this committee will be operated very differently from the contemporary committee operation as per MUN procedures, also, in terms of substance. Also, for the first timers we assure you that this would be sensitive and modest towards your queries and make sure that it turns out to be a splendid learning experience for you. We have tried our best to give you a comprehensive and elaborate background guide, which will help you understand the basic nuances about the agendas.

That being said, kindly note, that we would appreciate a creative and logical approach to the issues at hand. We would appreciate the enthusiasm of delegates but any violation to the decorum of the committee would be seriously dealt with to keep the committee in order. We wish all the delegates good luck and would love to see all of you at the conference acting in a rational way.

However, it has to be noted that the background guide only contains certain basic information which may form the basis for the auction and your research. You are the owner and manager of your allotted club and have to feel being the same for throughout the conference.

The rules of procedure will be stated at the beginning of the committee's first session. We look forward to amazing auction and lots of fun during committee.

Letter from Organizing Committee & the Executive Board

The IPL Governing Council is responsible for all the functions of the tournament. The members are Arun Singh Dhumal, Jay Shah, Ashish Shelar, Avishek Dalmiya, Pragyant Ojha and Alka Rehani Bhardwaj. In January 2016, the Supreme Court appointed Lodha Committee to recommend separate governing bodies for the Board of Control for Cricket in India (BCCI) and the Indian Premier League (IPL), where Justice RM Lodha suggested a One State-One Member pattern for the board.

The Indian Premier League (IPL) is a professional Twenty20 cricket league in India contested during March or April and May of every year by ten teams representing ten different cities in India. The league was founded by the Board of Control for Cricket in India (BCCI) in 2008. The IPL has an exclusive window in ICC Future Tours Programme. The IPL is the most-attended cricket league in the world and in 2014 ranked sixth by average attendance among all sports leagues. The brand value of the IPL in 2019 was ₹475 billion (US\$6.7 billion), according to Duff & Phelps. There have been seventeen seasons of the IPL tournament. The current IPL title holders are the Kolkata Knight Riders, who won the 2024 season.
